

UPCOMING CHANGES TO MEDICAID

VIRTUAL INFORMATION AND Q&A SESSIONS

Join us for a series of online sessions to learn about upcoming Medicaid changes, including:

- Community First Choice (CFC)
- Prior Authorization Requests (PAR) for pediatric CNA
- The NEW Children with Complex Health Needs Waiver
- SIS to ISLA: Transition from the Supports Intensity Scale to the Interim Support Level Assessment
- Skilled Nurse Assessor program
- Other related changes affecting benefits and evaluations

Session Format

- 45-minute presentation on key updates and example cases
- 45-minute interactive Q&A (not recorded to protect personal health info)
- Virtual on Zoom

Choose a session to attend

While anyone is welcome to attend any session, each are designed to target specific communities and needs. See back side for additional details. Additional sessions will take place quarterly in Sept. and Dec./Jan. for those with later Medicaid waiver renewal dates.
