

FAST FACTS

FAMILY VOICES COLORADO

➔ We're here to help!

Family Voices Colorado provides free assistance to children and youth with special healthcare needs or disabilities and their families. We are the Family to Family Health Information Center for Colorado.

Our work includes systems navigation, education and training, and policy work to ensure the systems work for those they intend to serve.

RESOURCES STATE/COUNTY AND DISABILITY ORGANIZATIONS

Colorado State/County Entities

Community-Centered Boards (CCBs): www.colorado.gov/pacific/hcpf/community-centered-boards
Colorado has 20 CCB organizations each serving specific counties within the state. CCB's serve children and adults with developmental delays and disabilities. They provide early intervention services, determine and manage eligibility for community-based services, provide family support funding, and some provide case management services.

Early Intervention Colorado / Child Find: 1-888-777-4041 www.eicolorado.org
Child Find helps to identify infants and toddlers with developmental delays or disabilities, and Early Intervention provides in home therapeutic services at no cost to families for ages birth-3 years old.

Health Care Policy & Financing (HCPF): 1-800-221-3943 www.colorado.gov/hcpf/contact-hcpf
HCPF administers the Health First Colorado (Medicaid) and Child Health Plan Plus (CHP+) programs as well as a variety of other programs for Colorado's low-income families, the elderly, and persons with disabilities.

Health Care Program for Children with Special Needs (HCP): www.colorado.gov/pacific/cdphe/hcp
HCP programs are located within local public health agencies throughout Colorado. Their nurse-led teams provide care coordination for children and youth with special health care needs from birth to 21 years. Children can benefit from this program whether their needs are visible, such as a physical need, or invisible, such as a developmental, emotional, or behavioral need.

Regional Organizations (RAEs): www.healthfirstcolorado.com/health-first-colorado-regional-organizations/
Every Colorado Medicaid member has a primary care provider and belongs to a regional organization that helps connect them with the health care they need. RAEs can help manage your physical and behavioral health benefits, help connect to providers, and connect with resources for needs such as transportation, food assistance or other social services.

Single Entry Point (SEP) Agencies: hcpf.colorado.gov/single-entry-point-agencies
Single Entry Point (SEP) Agencies provide case management, care planning, and make referrals to other resources for Colorado Medicaid members with qualifying mental and physical healthcare needs.
